***Payment RECEIVED after the 10th of the month will be automatically calculated at the non-discounted tuition rate.**

Semester Payment Plan:

Payments are available by semester and include a discount of \$10.00 per semester. Example: Semester #1 (Aug – Dec) for one hour of dance class \$300 - \$10(discount) = \$290 (semester rate) Semester #2 (Jan – May) for one hour of dance class \$300 - \$10(discount) = \$290 (semester rate)

Full Year Payment Plan:

Regular tuition will be discounted 10% if payment for the entire year of dance is submitted by the last day in August. (NO EXCEPTIONS) Example: A year of dance paid in full for one hour rate \$600 – \$60 (10% discount) = \$540

****Full year tuition payments are NON REFUNDABLE if dancer withdraws from class before May****
